

## Call for Papers

# **ISUVR 2012 (International Symposium on Ubiquitous Virtual Reality)**

**August 22-25, 2012, KAIST, Daejeon, South Korea**

**<http://isuvr.org>**

We are pleased to invite you to participate in 2012 International Symposium on Ubiquitous Virtual Reality (ISUVR) sponsored by IEEE. This year's theme is "Fun in AR and VR" presenting various methods, technics and technologies that contribute to enhance our joyful life. Any original and innovative research projects are welcome, but are not limited to:

- Theoretical backgrounds/conceptual framework for ubiquitous VR
- Fundamental technologies (VR, CG, CV, AR, UbiComp, Context-aware)
- Systems and Applications
- Human-Computer interaction and design concept

### **Participate**

ISUVR2012 is available to participate as regular, short, poster and demo.

### **Regular Paper**

- Papers accepted for the symposium will be allocated 4 pages in the proceedings.

### **Poster & Demo**

- 1 page including abstract, title, author information. Same format of regular paper

### **Important dates (extended)**

- Regular paper submission: **June 15, 2012**
- Poster/ Demo : **July 13, 2012**
- Notification: **June 29, 2012**
- Early registration: **July 13, 2012**
- Symposium Date: **August 22-25, 2012**

### **Location**

- KAIST, Daejeon, South Korea

**All accepted papers will be published IEEE Xplore(TM) and CSDL digital libraries.**

### **Format and submission**

Use an IEEE 8.5" x 11" two-column format, it is available to download and submit at <http://isuvr.org>.

**ISUVR2012 is a venue where you can meet with world leaders in Ubiquitous AR/VR. A total of four invited speech and a tutorial will be given during the symposium.**

### **Invited speakers**

- Zhengyou Zhang (Microsoft Research, USA)
- Greg Welch (UNC at Chapel Hill, USA)
- Kiyoshi Kiyokawa (Osaka University, Japan)
- Didier Strick (The German Research Center for AI, German)

### **Invited tutorial**

- Taekyun Kim (Imperial College London, UK)
- Si Jung Jun Kim (Univ. of Central Florida, USA)

**Research is not only taking place in the lab but also it is often inspired in social activities. ISUVR 2012 is pleased to provide social events with the invited researchers and a venture out South Korea.**

- Design competition sessions with the invited researchers
- Venture out South Korea: The Eight Scenic Beauties at Danyang (<http://goo.gl/OSmhA>)
- Experience Korean food with the invited researchers and other participants

**Organized by** The HCI Society of Korea

**Sponsored by** IEEE Daejeon section

**Supported by** KIISE sigCG&I, MEST CHIC

**Hosted by** KAIST GSCT

### **Questions? please contact:**

Organizing chair: Hyeongmook Lee ([hmooklee@kaist.ac.kr](mailto:hmooklee@kaist.ac.kr))

- Program chairs: Taejin Ha ([taejinha@kaist.ac.kr](mailto:taejinha@kaist.ac.kr))

- Local arrangement chair: Seonjeong Kang ([nadiakang@kaist.ac.kr](mailto:nadiakang@kaist.ac.kr))

- Tel: +82-42-350-5923, Fax: +82-42-350-5923
